

QEHS Policy

To Surpass Customer Expectations with due care to Quality, Environment, Health & Safety

In pursuit of our business excellence, Sunningdale Tech is committed to surpass customer expectations and compliance to customer, all applicable statutory & regulatory requirements on Quality, Environmental, Health and Safety (QEHS).

Sunningdale Tech is committed to continually improve our processes including adoption of new work processes, new technologies with proactive risk management and incident prevention. Guiding principles to continually improve the effectiveness of the QEHS management system are

- **Quality**
 - ✓ Develop a pro-quality mindset to the extent of performing our jobs Right-First Time and Every Time.
 - ✓ Ensure product manufactured meets customer requirement and is safe to use by Customer and End User.
 - ✓ Commit to treat our workers with respect and dignity, and foster strong teamwork and co-operation spirit among employees across all levels.
 - ✓ Maintaining effectiveness of QMS for Medical Device Division

- **Environment, Health & Safety**
 - ✓ Supply safe, effective and quality products that have minimum impact on the environment
 - ✓ Protect the environment including the prevention of pollution by controlling the use of resources and at source, wherever practicable
 - ✓ Inculcate waste reduction attitude in time, cost, manpower and other resources, including natural resources
 - ✓ Continually improve social responsibility, environmental, health and safety among employees and the relevant interested parties through communication, education, promotion and training to enhance environmental performance
 - ✓ Fulfill compliance obligation and other needs and expectations of relevant interested parties
